## PROFESSIONAL SUMMARY

I am a passionate Full Stack Web Developer with hands-on experience in the MERN stack. I enjoy turning ideas into functional and responsive web applications. I focus on writing clean code, building efficient back-end services, and creating smooth user experiences. I am seeking an internship opportunity to enhance my skills, gain industry experience, and contribute to real-world projects.

## CAREER OBJECTIVE

To secure an internship in a reputable organization where I can utilize my skills in full stack web development, enhance my knowledge, and contribute to the success of the team and organization.
